

Return Policy

Days due to injury, illness, pandemic, quarantining, weather or any other reason may not be “made up” and will not result in a credit or refund.

Unforeseen changes to your family’s work situation, vacation plans, and health may arise at any time, so we have the following policy: From the moment you register until June 1, you may receive a REFUND for any reason, minus a \$50 cancellation fee. There are no refunds or credits after June 1st.

All refunds and Theater Camp credits are based on the difference between the tuition that was paid and the tuition that would have been paid had the camper enrolled for the lesser number of weeks. For example, if your child was initially enrolled for all 8 weeks and you decide to cancel 1 week (with proper notice), you will be charged for Session One & Session 2 plus an add-on week. The credit is calculated using the difference in the tuition rates adjusted for any discounts previously applied. Any credit that is forwarded to the next season and not used, is non-transferable and will expire at the end of that season. All refunds require a \$50 cancellation fee.
